We would like to draw your attention to Mountaineering Ireland

‘Climbing and mountaineering are activities with a danger of personal injury or death. Participants in these activities should be aware of and accept these risks and be responsible for their own actions and involvement.’

I confirm that I have the Parent/Guardian's permission for the people named above to take part in a birthday party at Activate which will involve my child taking part in climbing and climbing related activities. I confirm that all the Parents/Guardians of participants have been made aware of the inherent dangers when participating in climbing and climbing related activities.
